Protected PDF Reader — Demo

This is sample page 1 of 3.

This PDF is loaded inside a popup on the web page.
In the final WordPress version, this file can come
from an ACF PDF field.

The next step would be replacing the native PDF
iframe with PDF.js and a custom reader interface.

Protected PDF Reader — Demo

This is sample page 2 of 3.

This PDF is loaded inside a popup on the web page.
In the final WordPress version, this file can come
from an ACF PDF field.

The next step would be replacing the native PDF
iframe with PDF.js and a custom reader interface.
